Events. Education. Support. Service. Leadership. Join Us Today!

Membership in Looking Ahead entitles you to sign up for activities and services available through the program: educational planning and support services, as well as a full range of social, leadership and community service activities. Once you're a member, you only need to update your information once a year to continue being a part of Looking Ahead.

In addition to an open invitation to all of the events and activities, you'll receive our newsletter twice a year and have full access to the Looking Ahead website. You'll be able to set up your own profile on the site, meet the other young performers who are part of the program and connect with new friends between events.

A NOTE ABOUT THE LOOKING AHEAD WEBSITE: Our website is a family-based website, so parents are encouraged to sign up their young performers and have the right to review all communication on and through the website. In fact, each family is assigned a family log-in through which all family members' transactions will be conducted on the site once applications are completed and your eligibility is established.
